RE: NOTICE OF COMPLETE APPLICATION  
Application #4-0103-00016/00019  
Project: Mining Permit Renewal and Modification  
Norlite Facility  
City of Cohoes, Albany County

Dear Mr. Monk:

Enclosed is a "Notice of Complete Application" which you are to have published in accordance with the enclosed instructions.

Only the information in that portion of the notice found within the heavy black line needs to be published: Date, name and address of Applicant, permits applied for, application numbers, Town and County where project is located, description of the project, the corresponding description that follows the SEQR number that is checked, the corresponding description that follows the SHPA number that is checked, the words "Availability For Public Comment ..." with the closing date, and the name, address and telephone number of the contact person.

The Notice of Complete Application should be placed in the Legal Notice Section of the Times Union newspaper, on any day Monday through Friday and may be put in regular column format in order to eliminate unnecessary extra space.

Please instruct the newspaper publisher to send a notarized proof of publication to this office for filing with your application. You, as the applicant, are responsible for paying for the costs of this publication.

We recommend that you give this letter to the newspaper to insure these instructions will be followed. Be advised that any delay or failure to comply with these instructions will delay further processing of your application.

Sincerely,

Kate Kornak  
Deputy Regional Permit Administrator

Re: DEC ID # 4-0103-00016/00019  
Norlite LLC

Dear Applicant :

Please be advised that your application for a DEC permit(s) is complete and a technical review has commenced. Notice and the opportunity for public comment is required for this application. Enclosed is a Notice of Complete Application for your project. Please have the Notice published in the newspaper identified below once during the week of 05/27/2019 on any day Monday through Friday.

ALBANY TIMES UNION  
645 ALBANY SHAKER RD  
ALBANY, NY 12211

On the Notice of Complete Application, that information presented between the horizontal lines, on the enclosed page(s) should be published. Do not print this letter or the information contained below the second horizontal line. Please request the newspaper publisher to provide you with a Proof of Publication for the Notice. Upon receipt of the Proof of Publication promptly forward it to this office. You must provide the Proof of Publication before a final decision can be rendered on your application. You are responsible for paying the cost of publishing the Notice in the newspaper.

Notification of this complete application is also being provided by this Department in the NYSDEC Environmental Notice Bulletin.

This notification does not signify approval of your application for permit. Additional information may be requested from you at a future date, if deemed necessary to reach a decision on your application. Your project is classified major under the Uniform Procedures Act. Accordingly, a decision is due within 90 days of the date of this notice unless a public hearing is held, which may extend this time frame. If a public hearing is necessary, you will be notified.

If you have any questions please contact me at the above address or phone number above.

Sincerely,

*Kate Kornak*

KATE KORNAK  
Division of Environmental Permits

**THIS IS NOT A PERMIT**

**New York State Department of Environmental Conservation  
Notice of Complete Application**

*Date:* 05/20/2019

*Applicant:* NORLITE LLC  
PO BOX 694  
COHOES, NY 12047-0694

*Facility:* NORLITE LLC  
628 S SARATOGA ST  
COHOES, NY 12047

*Application ID:* 4-0103-00016/00019

*Permits(s) Applied for:* 1 - Article 23 Title 27 Mined Land Reclamation

*Project is located:* in COHOES in ALBANY COUNTY

*Project Description:*

The proposed action is renewal and modification of the Mined Land Reclamation Permit to increase the Life-of-Mine boundary by approximately 5-acres for inclusion of existing stockpiles of product. Including these stockpiles within the Life-of-Mine boundary will ensure the appropriate reclamation plans for this area are documented in the permit, and are enforceable upon mining termination. The two stockpiles consist of graded sub-base material which is saleable product. There is no new ground disturbance, no construction, and no increase of production associated with the proposed action.

*Availability of Application Documents:*

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

*State Environmental Quality Review (SEQR) Determination*

Project is an Unlisted Action and will not have a significant impact on the environment. A Negative Declaration is on file. A coordinated review was performed.

*SEQR Lead Agency* NYS Department of Environmental Conservation

*State Historic Preservation Act (SHPA) Determination*

Evaluation using a Structural-Archaeological Assessment Form or other information has concluded that the proposed activity will not impact registered, eligible or inventoried archaeological sites or historic structures.

*DEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29)*

It has been determined that the proposed action is not subject to CP-29.

*Availability For Public Comment*

Comments on this project must be submitted in writing to the Contact Person no later than 06/28/2019 or 30 days after the publication date of this notice, whichever is later.
